

Dear Prospective Sponsor:

The youth of today are our future leaders. Investing in our youth is not only wise, but necessary to ensure a successful future. Cheer Force One will stand at the forefront of not only building great athletes, but encouraging higher standards for the sport of cheerleading.

Developing our youth is the commitment of Cheer Force One. We are a cheerleading and tumbling training program with over 350 competitive cheerleaders, nearly 500 recreational students, and over 450 school athletes. We are the largest All Star competition cheerleading organization along the Gulf Coast with locations established in Mobile, AL and Ocean Springs, MS.

We train all year to compete with other All Star teams throughout the Southeast, as well as the entire country. We emphasize discipline and teamwork to meet all of our goals. Our coaching staff has a combined total of over 350 regional, state, and national titles!

Our students depend on sponsorships to help offset their costs of competing at this high level of competitive cheerleading. Your sponsorship will go a long way and directly benefit our general scholarship program. Most importantly, as a Cheer Force One sponsor you will have the gratitude of hundreds of local athletes and their families. We invite you to come and visit our facility to see your sponsorship dollars in action.

Any level of sponsorship is welcome and appreciated. Sponsors receive various levels of recognition based on the size of the contribution. The attached list provides this information. Sponsors have the opportunity to receive website recognition, T-shirt recognition, and even banner recognition at one or both of our facilities. For business or self-employed individuals, sponsorships can be considered tax deductible advertising for your company (consult your accountant) as we use our website and shirts to advertise your business throughout the season.

We invite you to visit our website, send an e-mail, stop by one of our current locations, or just give us a call. Thank you for your consideration and support of CFO!

Sincerely,

Kara Witsiepe
Owner, All Star Director

Where do we credit the sponsorship?

Athlete's Name*: _____ OR Gym Sponsor**: _____

Comments:

*All but a small percentage of the sponsorship is applied directly to the athlete's account. The funds collected by the gym are used to pay for sponsor recognition expenses (banners, T-shirts, etc.). If a sponsor opts to receive zero recognition, 100% of the sponsorship will be applied to the athlete's account. In this situation, it is the sponsor's responsibility to note the payments accordingly on this page. If you received this sponsor form from an athlete, please list them in the provided space.

**Gym Sponsors are those sponsoring the gym/program. The funds will not be credited to any particular athletes account.

Checks may be made payable to Cheer Force One, and mailed to 8700 Zeigler Blvd, Mobile, AL 36608.
